

YMCA PARTNERS support youth in our area

When you contribute to the YMCA as a Partner you will be joining other businesses, organizations and people who believe in the youth in our area.

Your help works where the need is the greatest—helping children to grow, learn, and become independent adults.

Your support can help our young people learn the importance of caring, honesty, respect and responsibility and to accept the diversity of the many cultures in our area.

Your participation will insure that our youngsters will receive the guidance and support that they deserve.

*The youth of today are
the leaders of tomorrow.*

Support the Youth in Our Area

We Care. Do You?

We build strong kids, strong families, strong communities.

Dear Partner:

The Johnstown Community YMCA Sports Program provides learning opportunities for youth in a Christian environment. We emphasize the fundamentals of games, becoming physically fit, and developing self-confidence while instilling the core YMCA values of caring, honesty, respect and responsibility.

I'm writing to request your sponsorship for one of our many youth sports programs. The Y-Winners program goals focus on everybody plays/everybody wins, building relationships among peers and kids, and fun comes first. The Y-Winners program provides each participant with a team T-shirt. This is where corporate sponsorship is needed the most. \$100.00 co-sponsorship provides a season's worth of advertisement, not to mention the additional time the child wears the shirt. Your company's logo or name will be printed on each of the soccer T-shirts. Your organization becomes known by everyone who sees the T-shirt as a company who cares about kids. You also have the opportunity to sponsor an entire team. Call us to see how your support can make a difference.

Our youth programs are conducted throughout the year, soccer, basketball, and volleyball. We are excited to have an opportunity to cooperatively work with you; we hope you feel the same. If more information about our program(s) is needed, don't hesitate to call me at the YMCA 535-8381. You may send in your donation with the attached sponsorship form if you like.

Thank you for your time and consideration.

Yours truly,

Bob Grassi
Senior Program Director
